

A stunning addition

uPVC Bi-fold doors

Bring the outside in

Our uPVC Bi-fold Doors are the perfect way for you to create space, let in fresh air and flood your home with natural daylight by opening up an entire wall of your home.

Gain panoramic views of the outside and increased natural light inside with our beautiful Bi-fold Doors.

KEY DETAILS

Super Smooth Action

Thermal Performance

Energy efficient

Flexible configuration

Add a splash of colour

To ensure the perfect match, all our uPVC doors and frames are available in a wide choice of colours.

Creating the look you want has never been easier.

1

Flexible configuration

With various fold configurations, tailor your doors to suit your needs perfectly.

2

Concealed hardware

In-board mounted stainless steel track conceals hardware, for a clean and attractive finish.

3

Aluminium alternative

Our uPVC Bi-fold Doors are robust enough to compete with more expensive aluminium products.

4

Open up your space

Slim outer frame ensures that up to 90% of the aperture remains unobstructed when fully open.

Configuration options

Available in 2, 3 and 4 panes*, our range of Bi-fold Doors can be tailored to your exact requirements.

2 pane options

3 pane options

4 pane options

* 5, 6 and 7 pane options available upon request

*Longer lead times required

Energy efficiency

Our residential doors come with the Liniar range of multi-chambered profiles as standard, achieving the highest possible BFRC Energy Ratings in the industry.

Security built in

All our uPVC doors come with a high-security multipoint locking mechanism as standard, providing your home with the protection it deserves.

Additional security

TS-007 3-star accredited cylinders are available as an optional extra with all of our door locks, proven to effectively combat against lock snapping and forced entry.

High security

Awarded the Police 'Secured by Design' accreditation, our multipoint locks have been rigorously tested to the very highest security standards.

British built

Production, testing and assembly of all our door locking systems, are carried out in the UK.

Intelligent locking

Intelligent, compact and robust locks, which work perfectly with the design of our doors.

10 year guarantee

The multipoint locking system comes with a 10 year guarantee as standard, providing complete peace of mind.

1

Pre-compression rollers

Ensures smooth operation and maximises weather proofing.

2

Anti-lift pins

Slots into the frame to prevent the door from being moved or lifted.

3

Centre latch and hook

A combined central latch and anti-separation hook create a solid and rigid locking point.

4

Claw hooks

Grips the door sash to the frame for extra strength and solidity.

In perfect harmony

With concealed hardware that has been designed to work with the Linar profile, our Bi-Folds work in perfect harmony.

Lower threshold

24mm low aluminium threshold option removes the usual trip hazard associated with other bi-folds on the market, making our doors perfectly suited as an internal room divider.

Open to the outside

Enhance the feeling of space in your home and open up to a range of choice, from a 2 metre, two-pane patio replacement to an impressive 6 metre, seven-pane veranda opening.
